

Winter Sports 2011-2012

Southwest Junior High Winter Sports cost \$140 for 7th and 8th graders and \$193 for 9th graders. Some sports are run by the High School and will have a higher fee plus a \$100 deposit for uniform or equipment. The deposit is held until the end of the season and is returned to the student after they have returned their uniform to their coach. Southwest students still need to take care of all the paperwork at the Southwest Activities Office. All Coaches expect you to have a clearance card from the Activities Department showing you have taken care of these requirements before you are allowed to participate in the sport.
