Required courses are listed below in Column A. Students should choose three half credit (.5) elective classes. Elective courses are listed on the back of this sheet. Write the elective course name and course number on the lines below in Column A. Choose five alternate elective courses to list in Column B.

Continued placement in accelerated classes is based on maintaining a "B" average or better, teacher recommendation, and administrative approval.

Students with demonstrated need of additional support may be assigned to intervention courses in math and/or reading. Intervention courses will replace one or more of the elective classes.
